

## **SAFETY AND BUSINESS CENTRE LTD**

### **Official Distributor of Portwest**

Portwest is the world's fastest growing workwear company. Family owned since 1904, our products are manufactured across Europe and Asia. Portwest own four ultra-modern factories in Bangladesh, Myanmar and Ethiopia, giving us full control of our exceptional quality, fast lead times and ethical sourcing.

Portwest is pleased to announce that **Safety and Business Centre Ltd** is an authorised Portwest distributor. **Safety and Business Centre Ltd** provides safety products and services to **Uganda** and surrounding marketplaces.

Portwest design and manufacture 1350 different styles of approved safety products. We confirm that all Portwest products are manufactured to recognised international standards and are compliant to relevant safety regulations. Each certified product is supported with data sheets and independently verified test certification on request.

The Portwest range of products include Flame-Resistant garments, Hi Visibility apparel, disposable, chemical and uniform garments as well as safety gloves, safety footwear, PPE, fall arrest articles and safety accessories. Base Footwear is also owned by Portwest.

We look forward to working with **Safety and Business Centre Ltd** and supplying Portwest safety products (PPE) for the protection of workers.

**Safety and Business Centre Ltd** can promote and sell the full range of Portwest products and are recognised as one of our verified Portwest distributors in the **Ugandan** market.

Sincerely,

Richard Jones
